

# Make All Things "Schipperke" With These AWESOME Decals!

For those of you who weren't able to attend schipperke national this year, we had these decals made as a fundraiser for the Schipperke Club of America Rescue & Health Foundation.

These decals are in solid black silhouettes or in a white outline (for tinted windows on your "dog vans" or other dark surfaces). They come in a set of 3 - "Daddy, Mommy, Puppy". We have some facing right and some facing left in all sizes.

The white outline comes in one size - 14" from tip of nose of dog to end of rear of puppy. The black silhouettes are in 2 sizes, 12" and 16". There is enough room that you can cut them apart and place them in various areas without putting them together. They will stick to just about anything. Gift boxes/bags, art projects, car doors, windows. Home windows, tack boxes, sides of your plastic crates, cabinet doors, whelping boxes, you name it - possibilities are endless.
