

# Make All Things "Schipperke" With These AWESOME Decals!

The Schipperke families have arrived. We are so excited to bring you the Schipperke family decals for your vehicle, tack box, windows or virtually anywhere else you can think of! However, they work best on smooth surfaces like, glass, metal or plastic.

The Schipperke Club of America Rescue and Health Foundation is offering these super cool decal sets as a fund raiser. They were made exclusively for us so you cannot get these anywhere else and supplies are limited.

We are offering the solid black silhouette in both a right-facing set and a left-facing set. We also have the white outline set in a right-facing and left-facing set. So all in all there are four different sets to choose from. Some with really dark windows prefer the white outline as it shows up better on a dark surface.

They are a very generous size at 16 inches from front to rear. You can use them as a set or cut them apart and use them however you wish.

Each set is \$20 plus a small amount of postage.

Please email me at [bethalilly1@gmail.com](mailto:bethalilly1@gmail.com) with your order and indicate if you wish to pay by PayPal, credit/debit card, or if you prefer to send a personal check.

You are going to LOVE adding our family to yours!
