

The 4 AKC Reunite Rescue Trailers sponsored by The SCA Rescue & Health Foundation, Inc.

The AKC Reunite program's creation was in response to the devastation after Hurricane Katrina in 2005 where many people stayed in harm's way because emergency response plans did not accommodate pets. AKC Pet Disaster Relief's life-saving trailers will enable local Emergency Management organizations across the country to plan, prepare and respond to disasters that impact people and their pets. Three years, 50 trailers, and hope and relief for pet owners when disaster strikes. This is all the work of AKC Reunite's [Pet Disaster Relief program](#), which donates trailers fully equipped with pet sheltering supplies to communities for their use in the case of an emergency or disaster.

The Schipperke Club of America Rescue and Health Foundation, Inc. donated \$4,000.00 towards building AKC Pet Disaster Trailers in 2014. We received notification that AKC Reunite will be using our donation to help build four trailers.

The first AKC Reunite Pet Disaster Relief Trailer we helped sponsor was to the **Cecil County Maryland Department of Emergency Services**. Maryland is prone to hurricanes, tornadoes, and severe winter storms. The AKC Pet Disaster Relief Trailer will offer its local Emergency Management and dog-loving citizens a tremendous life-saving resource.

The following Club logos are featured on the Cecil County AKC Pet Disaster Relief trailer:

- Northeastern Maryland Kennel Club (*main contributor*)
- English Setter Association of America
- Schipperke Club of America Rescue & Health Foundation
- Nova Scotia Duck Tolling Retriever Club

The second AKC Reunite Pet Disaster Relief Trailer we have helped fund is in San Diego, California for the **San Diego Department of Animal Services**. This trailer was used to help victims of the Border Fire in 2016. The following Club logos are featured on this trailer:

- Del Sur Kennel Club
- Bahia Sur Kennel Club of Chula Vista, Inc.
