

The AKC Reunite program's creation was in response to the devastation after Hurricane Katrina in 2005 where many people stayed in harm's way because emergency response plans did not accommodate pets. AKC Pet Disaster Relief's life-saving trailers will enable local Emergency Management organizations across the country to plan, prepare and respond to disasters that impact people and their pets. To date AKC has outfitted and delivered 37 of these special trailers all over the country with 7 more in the works. A total of 307 clubs have donated a total of \$1,090,909 to help build these trailers.

The SCA Rescue and Health Foundation donated \$4,000.00 towards building AKC Pet Disaster Trailers in 2014. We received notification that AKCReunite will be using our donation to help build four trailers; the first one was to the **Cecil County Maryland Department of Emergency Services**.

Maryland is prone to hurricanes, tornadoes, and severe winter storms. The AKC Pet Disaster Relief Trailer will offer its local Emergency Management and dog-loving citizens a tremendous life-saving resource.

The following Club logos are featured on the Cecil County AKC Pet Disaster Relief trailer:

- Northeastern Maryland Kennel Club (*main contributor*)
- English Setter Association of America
- Schipperke Club of America Rescue & Health Foundation
- Nova Scotia Duck Tolling Retriever Club

The second AKC Reunite Pet Disaster Relief Trailer we have helped is in San Diego, California for the **San Diego Department of Animal Services**. The following Club logos are featured on this trailer:

Del Sur Kennel Club  
Bahia Sur Kennel Club of Chula Vista, Inc.
